

**Kirkby Lonsdale Coaches 530/531/532: Cartmel - Grange-over-Sands - Levens  
- Kendal**

**15<sup>th</sup> July 2024:-**

I have been contacted twice today regarding a rumour that a contract has been awarded to Kirkby Lonsdale Coaches / Travellers Choice to provide a replacement for the service 530/531

I am not sure who started this rumour or why, but it is untrue.

Whilst the Council is considering options provided by a number of operators for revised service on the route, however neither of the companies above submitted a price, so are not involved in our considerations.

I am sorry for the delay in providing more information, but this is as there is currently no decision.

As soon as I have news about a revised replacement service, I will be contacting all involved.

**Mark Hodgkiss**
