

Your Community is Calling for a 20mph Speed Limit – Have Your Say!

Allithwaite and Cartmel Parish Council has provisionally secured funding through Westmorland and Furness Council to reduce the speed limit in Allithwaite to 20mph. This initiative aims to promote safer roads, reduce vehicle noise, and enhance the environment for more walking and cycling.

Speed limits will only be reduced to 20mph if your wider community supports the scheme and therefore, we need your input.

Why Participate?

- Safer Roads: A 20mph speed limit significantly reduces the risk of accidents and makes our streets safer for everyone.
- Quieter Neighbourhoods: Lower speeds mean less noise from traffic, creating a more peaceful community.
- Greener Environment: Encouraging walking and cycling helps reduce carbon emissions and promotes a healthier lifestyle.
