

Allithwaite Report (March)

A quiet month in Allithwaite.

Community Orchard and Meadow

Winter pruning has been completed by volunteers and manure etc has been added to every tree in the area.

Strimming of certain parts of the wild area has also been completed.

Parish Cottage

Repairs to the boundary fence of the cottage which was blown down during high winds have been completed. Two panels and associated posts have been replaced. Concreted post areas had to be replaced with new concrete making the job a little more difficult.

Allithwaite Allotments

A reported water leak has been repaired with a section of the pipe being replaced.

Allithwaite Free Mini Library

Use of the library remains very high, with a large number of new books replacing those not which have not been withdrawn for some time.
