

Allithwaite Community Orchard and Meadow

Volunteers have continued to work in the orchard and meadow area, weeding around the trees and generally keeping the area tidy. The blossom looks good and volunteers are hoping for a good crop this season.

It's been noted that more species of wildflowers have taken hold this year and it is hoped this will continue in the years to come.

Allithwaite Free Mini Library

The library is again being used on a daily basis by locals and visitors alike.

Thanks go to our volunteers who keep the facility clean and tidy and refresh book supplies as required.

Lengthsman

The Lengthsman has been active in the village with the regular grass cutting and some of the listed maintenance duties completed.

Allithwaite Community Centre

The Centre has raised the required funding to go ahead with their new roof project. The Committee will keep the PC updated on the progress of the project.
